GENERAL INSTRUCTIONS FOR FORM IR

WHO MUST FILE THIS FORM: If your only source of income is from wages, you must file Akron's Form IR, the tax return for individuals and joint filers. Also, if you file federal Form 1040 and report business income from self employment, rental or farm activity using Schedules C, E or F, you must file Form IR.

WHEN TO FILE: File no later than APRIL 15, 2014.

MINIMUM INCOME CREDIT: If your gross income for 2013 was \$600 or less, complete lines 1 through 14 on Form IR. Do not calculate any figure on Line 15. Next, take the amount showing on Line 9 (Akron Income tax withheld by employers) and enter it directly on Line 18. Be sure to attach all of your W-2s to substantiate your eligibility for this credit. Check the box for refund on the form and envelope and mail your tax return in by the due date.

SIGNATURES: A tax return is not considered to be "filed" within the meaning of the law, until it is signed by the taxpayer or an agent legally authorized to sign it. Also, if the tax return is prepared by someone other than the taxpayer, this person must sign and date the return, along with the preparer's phone, address, and Social Security Number or Federal EIN.

EXEMPTION FROM FILING: If you are under the age of 18 (as of December 31, 2013) or qualify under other circumstances, you may be exempt from filing Akron Income Tax Returns. If you are retired (living solely on pension, annuities, Social Security, interest or dividends), you may also be exempt. However, subsequent earnings

of taxable income voids an exemption certificate. An Exemption Certificate is enclosed with these instructions.

EXTENSIONS: DO NOT SEND A COPY OF YOUR FEDERAL EXTENSION TO US FOR PRIOR APPROVAL.

An extension with the City of Akron is conditionally approved as long as (1) your account is not delinquent in any manner (including unfiled tax returns), and (2) a copy of your Federal Extension is attached to Form IR when it is filed. The extended due date is the last day of the month following the extension month approved by the IRS. This applies only to the filing of the return, not the payment of the tax. Normal interest will be charged on tax payments received after the **original** due date. Conditions (1) and (2) above must both be met to avoid penalty charges.

Even if you are unable to pay your taxes owed when they are due, you should file your return timely to avoid Failure-to-file charges of \$50.00 to \$100.00.

DECLARATION OF ESTIMATED INCOME TAX: If you expect to owe more than \$120 in income tax to the City of Akron by the end of the year, you are required to file Form D-1 (Declaration of Estimated Income Tax). Form D-1 (also called VOUCHER 1) and one fourth of your estimated tax must be filed and paid by April 30th, followed by 3 equal quarterly payments on VOUCHERS 2 thru 4. Your estimated payments must equal at least 100% of the prior year's tax liability or 90% of your tax liability for the current year in order to avoid penalty and interest charges. If you did not receive these forms by January 20th you can download a set from our web site or by calling us at 330-375-2290.
